Don't Forget the Wednesday Evening Net.

From Will VA3WEW.

Remember our Club net is on 147.120 + at 7:30PM local time every Wednesday. Plan to be there.

The December meeting is always a happy, light-hearted affair. This year was no exception. If you weren't able to make it out to the meeting, plan on adding it to your calendar for next year. As you can see from the pictures a good time was had by all. There is always lots of food and good conversation. It's a time count your blessings, so to speak. In spite of the economy, the weather, what our various levels of government are doing or not doing, we still have a lot to be thankful for. Take the time to remember how fortunate we are to live where we live, to have the friends that we have and that we have a Club that allows us to 'have fun playing radio' and serve the community. We have ready access to knowledgeable Club members who can provide advice and assistance. We have local stores and resources for all the things we 'need' to advance our own understanding and enjoyment of the hobby.

If you haven't renewed your Club membership for the coming year please consider doing so soon. When you do renew your membership, please take a moment or two to verify your contact information and your email address. This is very important for the membership secretary and the Club executive.

On behalf of the Club Executive please accept my warmest wishes for a Merry Christmas, a Wonderful Holiday and the very best for the New Year. See you in 2009.

Your humble scribe,

Ken
