

NORTH SHORE ARC

Box 171, Oshawa, ON, Canada, L1H 7L1
<http://www.ve3osh.com/>

Volume 8 , Number 1

June 2008

Location Change for the June Meeting.

Hi All,

Bob Elston has kindly offered to host a barbecue on the meeting night in June. Please get in touch with any other members of NSARC who you know to make sure that everyone knows about this very hospitable member's offer.

Place 218 Highland Ave. Oshawa

Time 5:30 onwards.

Required - an email to va3qw@sympatico.ca to confirm your attendance.

Optional - a donation of foodstuffs of some kind, please let us know as soon as possible so plans can be made.

Please be sure to try your best to make it, eyeball QSO's are a great way to help us all feel that we are on the same track and an even better way to pick someone's brains about something you've planned.

Hamfest Announcement

From Stan, VE3TW

Congratulations to Willy Mamaril, VE3WQM!

Willy's name was drawn from the list of hamfest volunteers from the North Shore and Pickering Amateur Radio Clubs at the Durham Hamfest of April 19.

Willy is receiving a one year renewal to his membership in Radio Amateurs of Canada.

From the Chair in the Shack

Quite a few members missed the new "command post" on the Camp X weekend. Despite the fact that the Ontario Regiment decided to give the event a miss and the Historical Society then cancelled its participation, we had a rather remarkably good time. What we were missing was operators to make our presence felt.

Summer is rapidly setting in and, with it, certain lethargy. As hams we are lucky if we have that basement shack to practice our skills in. I'm hoping that all of you have a great summer and that we can summon up a new spurt of energy for the club in the fall. Each member is an important part of the club. We need to know what you want and expect from it so that we can make your membership as fulfilling as possible. Feel free to contact any of the executive with ideas. We really need your input.

As all of you should know, the coming meeting June 17 will be held at Bob, VE3LLE's place and will be a barbecue. We all enjoyed it last year and hope that this year will be even more successful. If we don't see you then, enjoy your summer.

+++++

Have a safe, happy summer. May all your antenna work get done with time to spare. May your rigs run long and cool. May you have the opportunity to make many log entries.

Your scribe,

Ken
