

# North Shore ARC UPdate!

October 25, 2014

Some of the Paul's Dirty Enduro radio operators. Luis VA3TCL, Joe VE3VGJ and John VA3TEE with race officials behind.

## Upcoming Dates

- November 18  
monthly club meeting
- December 15  
Annual Christmas Party

Alex VA3AMP hard at work at Paul's Dirty Enduro.

## Membership Renewal

Hi everyone, it is that time of year again when membership renewals are due. Attached to the email that you received you will find a membership renewal form in pdf format. Please print it off, fill it out, and return it to us asap. We need to submit our insurance forms to RAC by mid November but need our membership info before we can do that. Thank you for tending to this urgent request.

## October Meeting

If you missed the meeting this week then you missed a great one. Randy VE3JPU and Lex VE3LEX from the South Pickering ARC gave a presentation on the CHIRP software that you can use to program many of your radios with. It was also good to see quite a few visitors and new members in attendance too.

Here are some links that Randy passed along that he referenced at the meeting.

## Hamfest Request

As you know we lost our Hamfest co-ordinator this year as Walter moved back to the Philippines. We are now searching for a replacement. Please consider volunteering for this position and let the executive at either club know if you are interested asap. As you know the Hamfest is one of our main sources of income so it is imperative that someone step up to fill the roll. Thank you for considering this request and we hope to hear from you soon!
