

North Shore ARC UPdate!

January 17, 2015

Our annual Christmas Party was once again a resounding success. Many members came out for an evening of good food and fellowship and if anyone left hungry it was their own fault!

Here's looking forward to another great year for the North Shore ARC.

At our November meeting a couple of Alex VA3AMP's friends (Joe VE3VGJ, Doug VA3DCE and Laird VE3LKS) presented him with a "trophy" of sorts. It seems that Alex has a tendency of falling asleep in his hammock when stationed deep in the Ganaraska Forest and so they just wanted to recognize these efforts. We are glad to have you back in the area Alex!

2014 Field Day Report

The results are in for the 2014 Field Day. The final score for VE3NSR was 2500 points. We placed 722 out of 2685 stations North America wide. 4A placed 86 out of 150 entries.

I'm pleased. We may not be in the top half for 4A but we did place in the top half for North America.
