**AMATEUR RADIO
CLUB INC.**

Hello everyone and welcome to the start of another year at NSARC. I hope everyone had a great summer and found time to get away on vacation and to play on the Radio, although with these terrible band conditions it has not been easy. I have to apologize as I am way behind with my duties and chores and this month's update will be short. With all the rain we had in the first part of the summer I got behind in our chores and we are winterizing our location up north as we will be moving up here full time next spring.

Our first meeting is coming up next Tuesday September 19 and as usual our first meeting is a BBQ and Corn Roast up at our repeater site.

The BBQ should be on and going strong shortly after 6Pm and I am looking forward to seeing all of the familiar faces and some new ones this year.

There will be lots of food and treats, so see you there!

[Saturday Morning Breakfast](#) –Just a reminder that there is a small group of North Shore members and some other hams from the area that meet Saturday mornings for breakfast. They have a new location at Johnny's Original Eatery at 850 King St West, northwest corner of King St and Thornton Rd N in the small strip plaza behind the Scotia Bank. They usually arrive around 8:30am and order around 8:50Am, so if you are up early and out and about, drop by and say hello to everyone and check out the new Restaurant!

 [Wednesday Night Net](#)- Don't forget everyone about the Wednesday Night 2m Net at 7:00pm on VE3OSH. Our net is run by Alex Keller VE3ZSH I am sure he would love to have your check-ins. Even if you can't stay just drop by and give a quick hello! The net will start up again Wednesday September 20 at 7Pm, first night after our BBQ.

For our October 17 ,2017 meeting we have arranged with Hugh VE3AYR of the Vimy Commemorative Station Society for a presentation on Vimy Ridge. Hugh is one of the operators for the special event VE100VIMY and publicity director for the event. So mark it on your calendars so you don't miss this presentation!

UpComing Dates:

September 19 at 6:30pm – Monthly meeting – Sermon on the Mount BBQ and Corn Roast at repeater site

Museum Trip

October 21 @ 7:30 am - 7:30 pm

If you have not heard by now Alex VE3ZSH was busy and arranged a trip for our club members and any other hams who would like to attend.

The North Shore ARC has arranged to visit the [Hammond Museum of Radio](#) and the [Canadian Warplane Heritage Museum](#). The trip is limited to 42 people. This trip is open to anyone, including members of the [South Pickering ARC](#) and [Whitby ARC](#) clubs, as well as friends and family who are interested. The cost of the trip is tiered based on attendance (to cover the bus). We will follow up closer to the date to confirm the amount.

- \$35/person at 20 people
- \$30/person at 30 people
- \$25/person at 40 people

At this point we are taking RSVPs by email. If you wish to attend, please email [Alexander VE3ZSH at contact@nycroth.com](mailto:contact@nycroth.com) with your intended pick up location. At our September and October meetings we'll be looking for a \$10 lock in for the trip. If you have any questions or comments, feel free to send them his way also.

Alex has put a lot of time and effort into this and with Martha's VA3SBD help arranged the bus for the trip. If you know any other ham's who might be interested let them know and please let Alex know if you are attending as he needs to know so we don't go over the maximum number.

September 2017

Well next week's meeting and BBQ and Corn Roast brings us to the start of another year for our club. We have all of our meetings till January 2018 scheduled with presentations and events but we have our dates in 2018 open if anyone has ideals or a presentation they would like to do for our club, please let us know.

Also our annual membership dues are due so please forward these to Alex VE3ZSH as soon as possible.

This is an election year for our executive and elections will be held at the January 2018 meeting. Please give some thought about helping out on the executive. We need some good people to help keep our club going in the right direction!

Well that is all for now and I hope to see everyone at the Sermon on the Mount BBQ and Corn Roast on Tuesday!

So from sunny Lake Cameron in the Kawartha's bye for now and see you Tuesday.
