

July - Aug

****NORTH SHORE AMATEUR RADIO CLUB****

--SUMMER FLASH--

CORN ROAST...

The annual corn roast will be held at the same site as last year, i.e. the QTH of D.J. Heard. Time: 1830-local on Tues. 30th August (rain date--just in case--Thurs. 1st September). Proceed East on #2 highway to Solina Road (2nd East of Courtice Road); go North 1/2-mile and the site is on your Left. Look for the N.S.R. sign. Bring yourself, your family, and your own chairs. CU there.

VE3CNE...

Our Club's participation date will be Thursday 1st September. At present, "4-hour" shifts are planned, admission is FREE. Doug (MKC) can do a pick-up at the Whitby "GO" station 0900-local and will be going right into the EX's preferred parking. Possibly he could make a stop at the Pickering "GO" station as well. He will have room for 8-9 people. Those interested, contact Doug (MKC), Evan (IND), or any of the Executive. Let's have a full staff for this one.

FIELD DAY...

From what we've heard, 40-meters CW is again the overall points-total winner of the coveted N.S.R. "Haeggis Bashers Award". CW tents have won this much sought-after trophy exclusively, right from the award's inception years ago.....let that be a message to those disgruntled grumblers who would condemn the noble art of CW to the back pages. Congrats and thanks to all who participated in Field Day '83, and a special thanks to the men at 40 code: Peter (DFD), Bert (DUS), Tony (IAT), Mac (XI), and swl Dave.

COMING UP...

The next regular meeting will be held on Tuesday 13th September in the cafeteria at O'Neil C.I.

Have a good Summer,

de
EDDY (CUI)
MAC (XI)
